

# Financial Foundations For Adults

## Expand Your Financial Knowledge Today!

At Mountain West Bank, we are committed to helping you pave a path toward a secure financial future. And that begins with a solid understanding of key financial concepts. We are proud to offer Financial Foundations. This FREE, interactive, online money management program that explains these critical concepts in a series of sixteen short online modules.

### Program modules include:

- *Overdraft*
- *Mortgages*
- *Savings*
- *Checking Accounts*
- *Credit Cards*
- *Considering Home Ownership*
- *Credit Scores & Reports*
- *Insurance*
- *Taxes*
- *Financing Higher Education*
- *Identity Protection*
- *Building Emergency Savings*
- *Retirement 101*
- *Payday Loans*
- *Auto Loans*
- *Mobile Payments*

The program is self-paced, flexible to your schedule, and even remembers your progress. Each module is approximately 10 - 15 minutes and contains narrated introductions along with a series of animations and activities that introduce you to these important financial literacy concepts.

Your path to understanding your future finances begins now.
